DETAILED ACTION

Allowable Subject Matter

1. Claims 1-21 are allowed.
2. The following is an examiner's statement of reasons for allowance: as to claims 1-21, patentability resides, at least in part, in the keyboard covering the body in a closed position and being divided into two separated section in the open position, in combination with the other limitations of the base claims. It is noted that the prior art of record fails to teach and/or fairly suggest such limitations solely and/or in combination. Therefore claims 1-21 are deemed allowable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
